

Airprint Instructions

THE BAD NEWS IS, WE CANNOT USE "AIRPRINT" IN THIS BUILDING DUE TO NETWORK SECURITY, BUT YOU CAN STILL PRINT! HERE'S HOW:

Step 1

install the Konika Mobile Print app from your app store. The icon looks like this:

Now it's time to register the printer!

Step 2

Select the printer icon in the upper right-hand part of the main menu.

Step 3

Tap the [+] button in the upper right-hand part of the screen, then select [MANUAL]. Enter the IP address of the printer you want (on the front of the machine

Step 4

When printing from your device, click the action button (box or dots).

Next for Android users select "SHARE"

Airprint Instructions

CONTINUED

Step 5

Select the application, do NOT select print. You may need to scroll.

NOTE: if the app isn't available on this screen, choose print, then scroll to the app.

Step 6

Click Print!
